

JH-FAC-003 / 14 NOV 2000

PROJECT DOORFRAME

Executive summary / structural alignment

Following consultation with [REDACTED], the door will remain where it is. This decision unlocks substantial continuity benefits while preserving the [REDACTED] elements of our regional access strategy.

[REDACTED]
[REDACTED]
[REDACTED]

[SECTION WITHHELD UNDER INTERNAL DISCLOSURE POLICY]

The relationship between the door and the frame is commercially sensitive. Staff may continue passing through the approved [REDACTED] opening without expressing a view on its ultimate ownership.

The proposed hostile acquisition of the adjoining wall has been deferred pending clarification of which side [REDACTED] is currently on. No change to the handle is authorised.

[REDACTED]

ACTION REQUIRED: Continue entering normally.
